## Donations are appreciated:

- Your gift will go directly to preservation and restoration of the Stockdale Mill.
- Private donations are our main source of funding.
- We have no paid staff - we operate entirely with volunteers from the local community and surrounding area.

*The Stockdale Mill Foundation was formed in December 2001 as a Non-Profit Indiana Corporation to preserve and restore the mill. On April 19, 2002, the Foundation was also approved by the Federal Internal Revenue Service as a 501 c(3) organization, enabling donors to deduct contributions.*
